

Mississippi Madawaska Land Trust  
Preserving the land  Protecting the future

## VOLUNTEER JOB DESCRIPTION

*The mission of the MMLT is to preserve, restore and legally protect, private land areas and places having exceptional ecological, scientific, natural, aesthetic, and historic value, for the benefit of present and future generations.*

---

**Position Title:**           **Writer/Photographer**

**Description:**           The MMLT publishes regular newsletters and has a website and a Facebook group page. We use media releases to publish our frequent public events. We need creative volunteers to provide input for these venues. One of our publications could be the perfect forum for an inspiring description of a recent hike at one of our properties, an amusing tale of a surprise encounter, or a report and photo of the rare species you discovered. We welcome enthusiastic scribes and photographers!

The publication of written/photographed submissions is at the discretion of the MMLT and may be edited due to space requirements. Authors/photographers will be credited for their submissions.

**Skills:**

- Excellent writing skills, including grammar, spelling and punctuation
- Excellent photography skills and your own digital camera
- Writer must have knowledge of nature/science issues and/or have marketing copywriting skills
